LADY VICE PRESIDENT –A NOTE FROM CHRIS

“Last financial year we raised \$1400 with the help and generous donations from members for Cancer Research. Sylvia suggested to me that maybe we could raise money for the club in the same way. I took it on board and a “Ladies Fundraising Account” was established. We raised over \$6200, purchasing an oven for the kitchen and subsidised the members’ new club jackets. Due to Covid-19 we have not been active this financial year. However, that is about to change as we are holding our first meeting this week to arrange a Fundraising event to be held at the end of August. The event will be advertised on the Events notice board. Keep a lookout – it will be an exciting Friday evening.”

PENNANTS – Commencing Wednesday 7 October

Register for pennants by adding your name to the lists on the notice boards. The teams have to be registered with Metropolitan Bowls Association by the middle of August. The Selectors are meeting this week and George Chapman will be organising trial games both internal and against other clubs.
