

WELCOME

Christies Beach Bowling Club attracts members from all walks of life to enjoy interaction through bowling, competition and socialising. Enjoyment is our prime focus whether as a member or a guest. Pay us a visit to find friendly faces, good company and discover the joys of bowling whether you are a complete novice or seasoned player.

There are over 100 members who enjoy our excellent facilities. The club has **Saturday** sides when forty male and female members represent the club in open gender sides.

The men's club teams play on **Wednesdays** whilst the ladies club teams play on **Thursdays** in Metro divisions.

Tuesdays see almost 60% of the membership play in the weekly social games, joined by members from other clubs. We also play social games on **Saturdays** in the off pennant season.

Our artificial surfaces provide an opportunity to enjoy bowls all year round. Players are

welcome to have a roll up any time the club is open. Club members can access the greens at any time.

Bowls are available for beginners to use with club volunteers willing to assist.

There are various social events held throughout the year including special bowling days, dinners and entertainment.
